

Panopto Update – June 26, 2021

As announced in a Department of Technology email sent on Friday, June 25th, Panopto did an upgrade over the weekend. Please note the new Share Page interface. The Copy Link button is in a new location as well as the Embed button. Access privileges are also in a new location; see screenshot below as an example:

CURRY COLLEGE

Date: Friday, June 25th, 2021

Important Information:

Hello Curry Community,

On **Saturday, June 26th**, the Panopto Cloud will be updated with the latest features and improvements. These updates will require downtime. We expect up to 4 hours of downtime, with a target start time of **9:00 pm EDT/6:00 pm PDT**.

During the downtime, you will not be able to access videos on your Panopto site. Any attempts to upload from recording clients will result in a "Server unable to connect" message

If you have any questions, please contact ITS by calling 617 333 2911 or emailing Support@curry.edu.

Thank you,
ITS
