# Canvas Release Notes – Updates to Canvas as of 3/20/21

New Quizzes

The kabob button does not show **Edit** any more. To get to the Quiz questions, click on the name of the Quiz at the top of the page or click on Save:

You can now add a New Quiz within a Module:

Preview Button
The Preview button to view a document has changed from a magnifier button to a download button. To Preview documents inline, click on the document; to download the document, click on the arrow.

Click on this link to view documentation on Downloading an ePortfolio and Uploading to Canvas.pdf ⬇

Student View
The words "Student View" have been added next to the glasses:

6ẟ Student View

Create Assignment, Quiz, File Page, Topic
When adding a new Assignment, Quiz, File, Page, Topic (Discussion Board), you will see **Create** instead of **New**; for example: Create Assignment (vs. New Assignment):
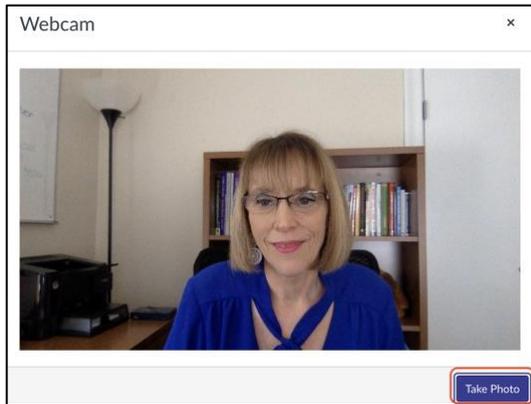

Add Assignment ⌄ to module
Select the assignment you want to associate with this module, or
[Create Assignment]
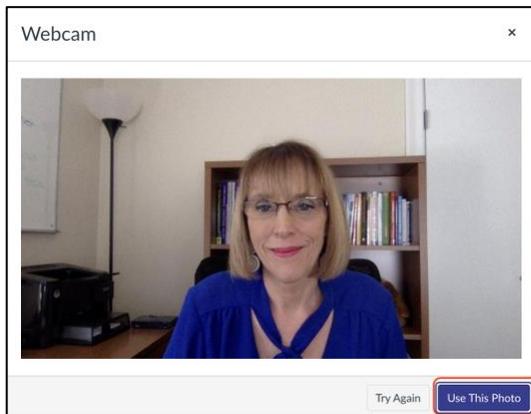

Use Webcam to Upload Assignment
Students can use their webcam to verify their identity when submitting an Assignment. They do this by taking a picture of themselves which will be attached to the Assignment submission:
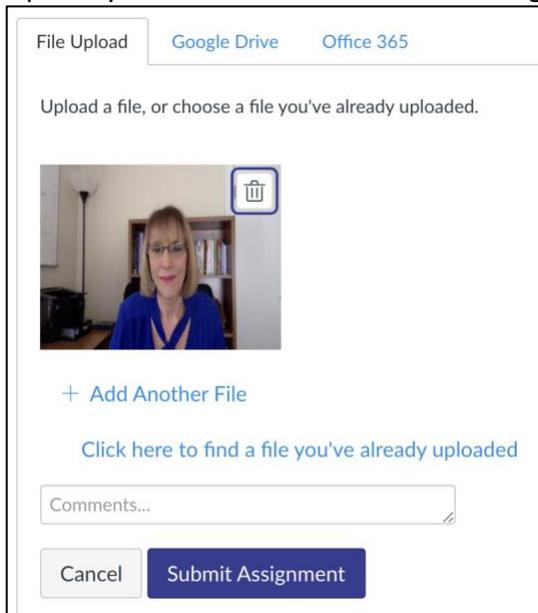

File Upload   Google Drive   Office 365

Upload a file, or choose a file you've already uploaded.

⬆ Upload File   🖼 Use Webcam

Cancel   Submit Assignment

Take Photo:

Use This Photo:

Upload your file and click on Submit Assignment:

In SpeedGrader, you will see the picture along with the file:

Participation Section in Course Settings

This is the Old Interface for Participation:

There are now two settings for Participation:
- Term
- Course

Term:
Term dates is the default setting for new courses. This option sets student course participation between start and end dates.

Course**:**
Course dates shows you when the course is available. You cannot change the Start and End dates, because these are based on Banner:
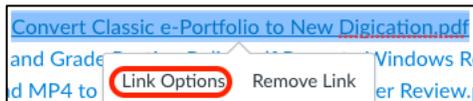

Term:	Summer 2021 - Full Term ⌄	
Participation:	Course ⌄	
	Course participation is limited to **course** start and end dates. Any section dates created in the course may override course dates.	
	Start	
	May 24, 2021 at 12:00am EC 📅	
	End	
	Aug 29, 2021 at 12:00am EC 📅	

Files linked in the Rich Content Editor
Files can be previewed in an overlay or inline mode.
- Inline: opens the file under the content
- Overlay: opens the file and covers over the content
To select the option, in Edit mode, highlight the file and choose Link Options:

Convert Classic e-Portfolio to New Digication.pdf
and Grade [Link Options] Remove Link Windows R
d MP4 to er Review.

SpeedGrader – Reassign an Assignment
Instructors can reassign an assignment with a due date to an individual student and ask them to redo the submission.

There must be a Due Date and multiple submissions allowed in order to see the Reassign button.

Go to SpeedGrader and for the individual student, add a Comment and click on Submit. Then click on Reassign Assignment:
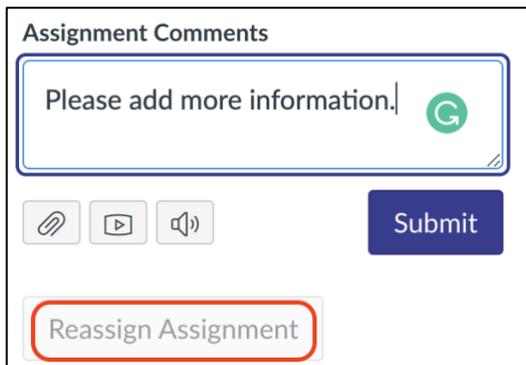

You will see a Notification that the assignment has been reassigned:

You will also see that it has been Reassigned under the Comments box:
