

## Canvas Release Notes – Updates to Canvas as of 4/17/21

### Assignments

The “Submit Assignment” button now says “Start Assignment”:

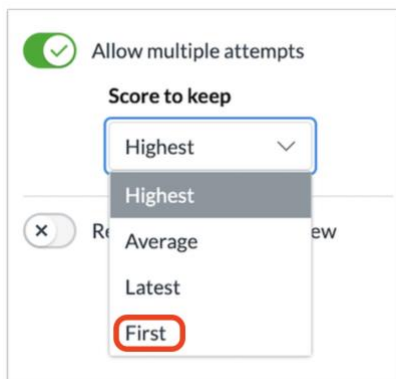

Once the student has chosen Start Assignment, they will see the regular Submit Assignment button:

### New Quizzes

“Multiple Attempts First Score” Option – The Score to Keep option now includes a First option. This option retains the first score for a quiz, even if the quiz is retaken:

## Canvas Readiness Course

- New Name: **Canvas Readiness – Faculty**

## YouTube

The YouTube icon is now integrated on the editing toolbar:

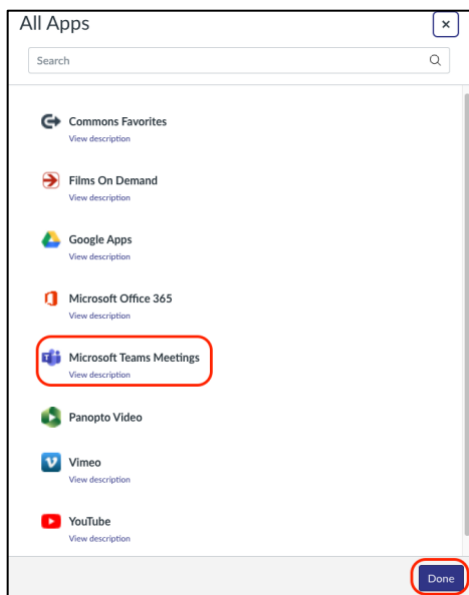

## Teams integration in Canvas

From within a course, you can set up a Teams Meeting. This is a good backup to using Zoom in case there are any functional issues with Zoom on the day you plan on using it.

To do that:

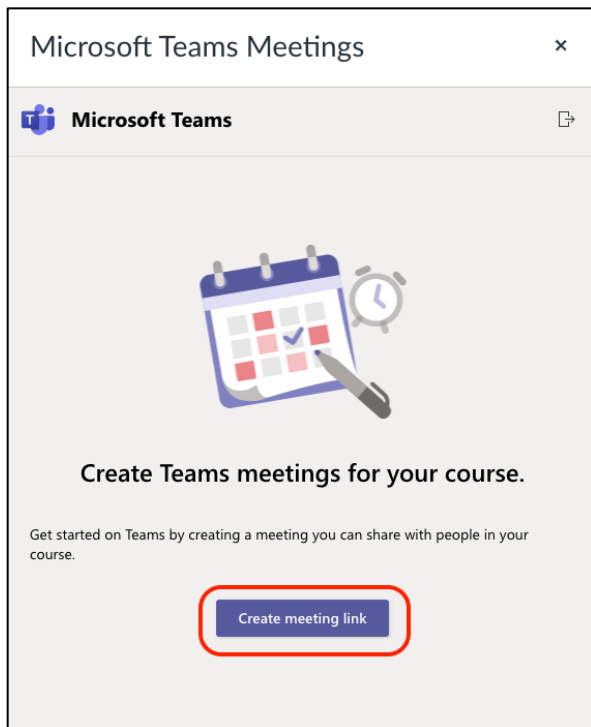

**Step 1:** From within a Page, click on the Plug Icon and choose **Microsoft Teams Meetings** or if you do not see Microsoft Teams Meetings, click on **View All** and choose **Microsoft Teams Meetings**:

**Step 2: Click on Sign In:**

**Step 3: Click on Create meeting link:**

**Step 4:** Add a Meeting Name and Time and click **Create**:

**Step 6:** You will see the Meeting on your Page; click on **Save**:

The screenshot shows a rich text editor interface. At the top, there is a text input field containing "Teams Meeting". Below it is a menu bar with "Edit", "View", "Insert", "Format", "Tools", and "Table". A toolbar contains various icons for text formatting (bold, italic, underline, color, background color, text color, text size), alignment, bulleted and numbered lists, link, unlink, insert table, and insert image. The main content area contains a blue hyperlink that reads "Join Meeting with Students (Microsoft Teams Meeting)", which is highlighted with a red rounded rectangle. At the bottom of the editor, there are several options: a paragraph symbol "p", a word count of "7 words", and icons for undo, redo, and help. Under the "Options" section, there is a dropdown menu for "Users allowed to edit this page" set to "Teachers and students", and a checkbox for "Add to student to-do" which is currently unchecked. At the very bottom, there is a checkbox for "Notify users that this content has changed" and two buttons: "Cancel" and "Save", with the "Save" button highlighted by a red rounded rectangle.

Click on the meeting to Start it and students will also click on the meeting to join. You will need to Admit the students to the meeting.
