View Quiz Results in Panopto

To view quiz results:

- 1. Go to the video through Tools/Panopto Content within Blackboard or go to https://currycapture.hosted.panopto.com
- 2. Click on Settings:

3. Click on Quiz Results:

▶ Testing		
Overview	Session Information	n
Share Outputs	Name	Testing Edit
Quiz Results	Folder	DemoCourse: Demo Course Edit
Streams Search	Preview image	

4. You will see a **Summary**. You will see a place to choose which Quiz you would like to see (if you had multiple quizzes in the video). You will see a list of **Users** and their scores. You may also choose **Download** to export results to an Excel .csv file.

Note: The scores do not link to Blackboard, so if you want to include them in the Grade Center, you would need to manually add a Column and enter the grade.
