Check out these
Internship Insiders!

Internship Insider

Where did you complete your internship?

Pembroke Psychiatric Hospital

What was your title/role?

Case management intern

What did you learn?

Being able to work with individuals with mental illnesses and disorders really shows you what it will be like to work in the field.

What advice do you have?

Complete an internship no matter what major you are, because it really puts what you learn in the classroom into real life. Be willing to do things that make you nervous at first. Be confident in your abilities.

Caitlyn De Serres

Major: Psychology with a double minor in music and sociology

Internship Insider

Where did you complete your internship?

Marshfield Community Television (MCTV)

What was your title/role?

News Intern

What did you learn?

I learned how to conduct professional interviews and how to capture meaningful B-Roll footage to make my news packages more interesting and coherent. My skills with editing software have greatly improved.

What advice do you have?

Get to know your coworkers, ask questions and listen when you're given criticisms. ALWAYS shake hands when you meet new people. With that being said, never forget to network yourself.

Erica Adams

Major: Communication Major
Concentrating in Television and Film
