Subject: Return to Campus: On-board testing
Date: Tuesday, January 19, 2021 3:45:00 PM

Dear Members of the Curry Community,

As our larger campus community returns for the start of the Spring semester, we wanted to share additional information regarding the on-board testing process:

- All employees who plan to be on campus at least once a week must be on-board tested for COVID-19.
- We recommend, if possible, that you test on Monday or Tuesday, as our returning students will begin testing on Wednesday and through the end of the week.
 - Mon., Jan. 25 (8:30 am – 4:30 pm)
 - Tues., Jan. 26 (8:30 am – 4:30 pm)
- If Monday/Tuesday are not possible, additional testing days are available:
 - Wed., Jan. 27 (8:30 am – 4:30 pm)
 - Thurs., Jan. 28 (8:30 am – 7:00 pm)
 - Fri., Jan. 29 (8:30 am – 4:30 pm)
 - Sat., Jan. 30 (10:00 am – 2:00 pm)
- All on-board testing will be conducted in [Katz Gymnasium](#)
- Please schedule your testing appointment in the CoVerified app
- Before your arrival on campus, please continue the daily symptom monitoring check in CoVerified, and you will be permitted a “cleared” status for entry at the front gate
- Weekly surveillance testing will again be conducted in the Miller Field house beginning Mon., Feb. 1. from Mon. – Thurs., 8:30 am – 4:30 pm. Please continue to schedule your weekly testing appointment using CoVerified.
- Test results will be emailed within 48 hours from CareEvolve and updated in CoVerified
- As a reminder, stay home if you feel sick or display any symptoms and consult with your primary care doctor. Please also follow-up to inform your supervisor.

- Please do not participate in surveillance testing if you are symptomatic.
- If you have tested positive over the winter break, please upload your test results to the CoVerified app.

As always, in addition to monitoring and reporting symptoms as well as keeping your test appointments, we ask that all members of the campus community please remember how important it is that we continue to be vigilant in washing our hands, wearing our masks and social distancing. We thank you for your support and cooperation in helping to keep Curry safe and healthy!

Thank you.

Mirlen Mal
Vice President of Human Resources
