# Curry College Remote Desktop For Google Chrome

Curry College Remote Resources website enables you to use a web browser to access Office Applications, Network resources, Banner Forms and CWIS.

- Open Google Chrome and type https://remote.curry.edu into the address bar. This may take a minute to load.
- Enter your curry email, example (username@curry.edu)
- Enter your network password.
- Click Sign in.
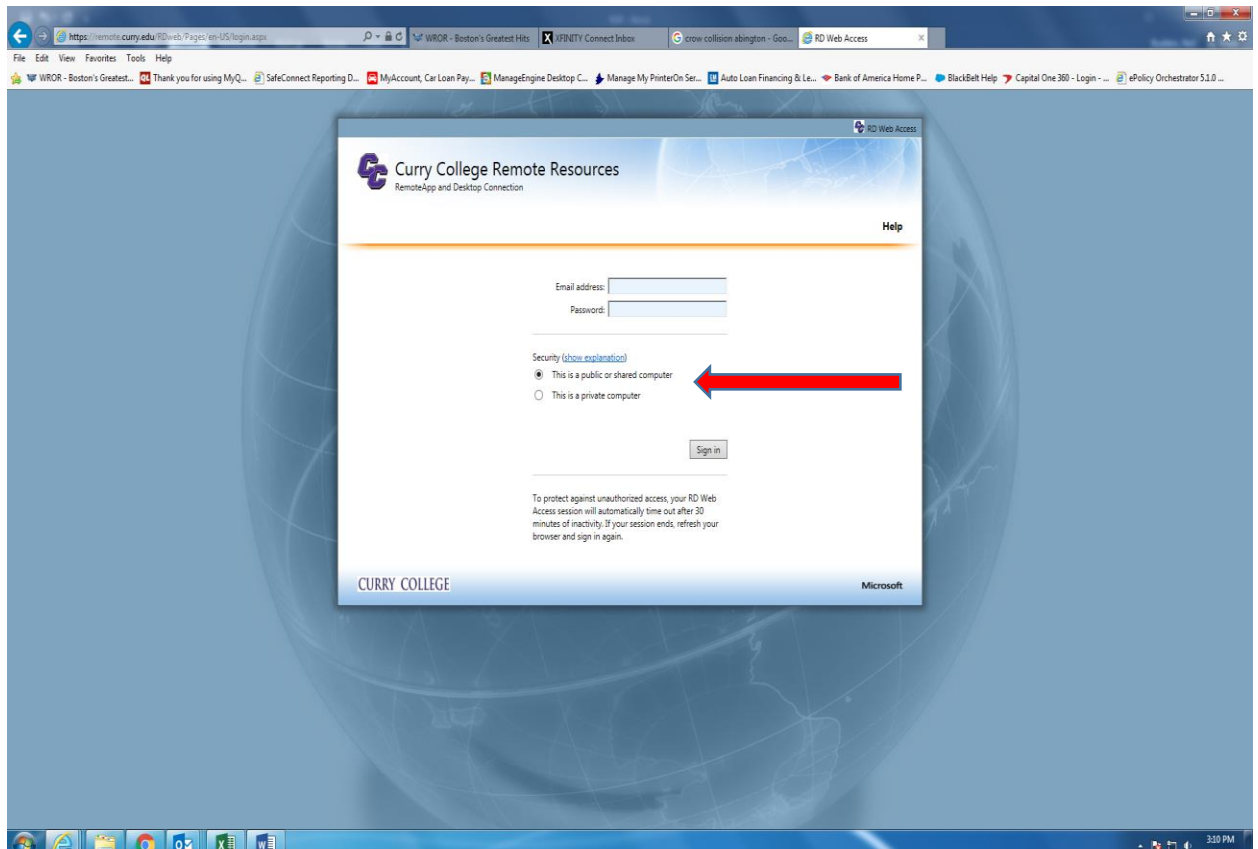

- Leave the option "This is a public or shared computer" checked when you're logging into a public or shared computer.
- You should not be in the habit saving passwords in a browser. Always treat any computer as if it's a public computer and do not save passwords.

**Curry College Remote Desktop For Google Chrome**

- You should now be logged into Curry Remote Resources.
- At this screen you can access applications and network drives.
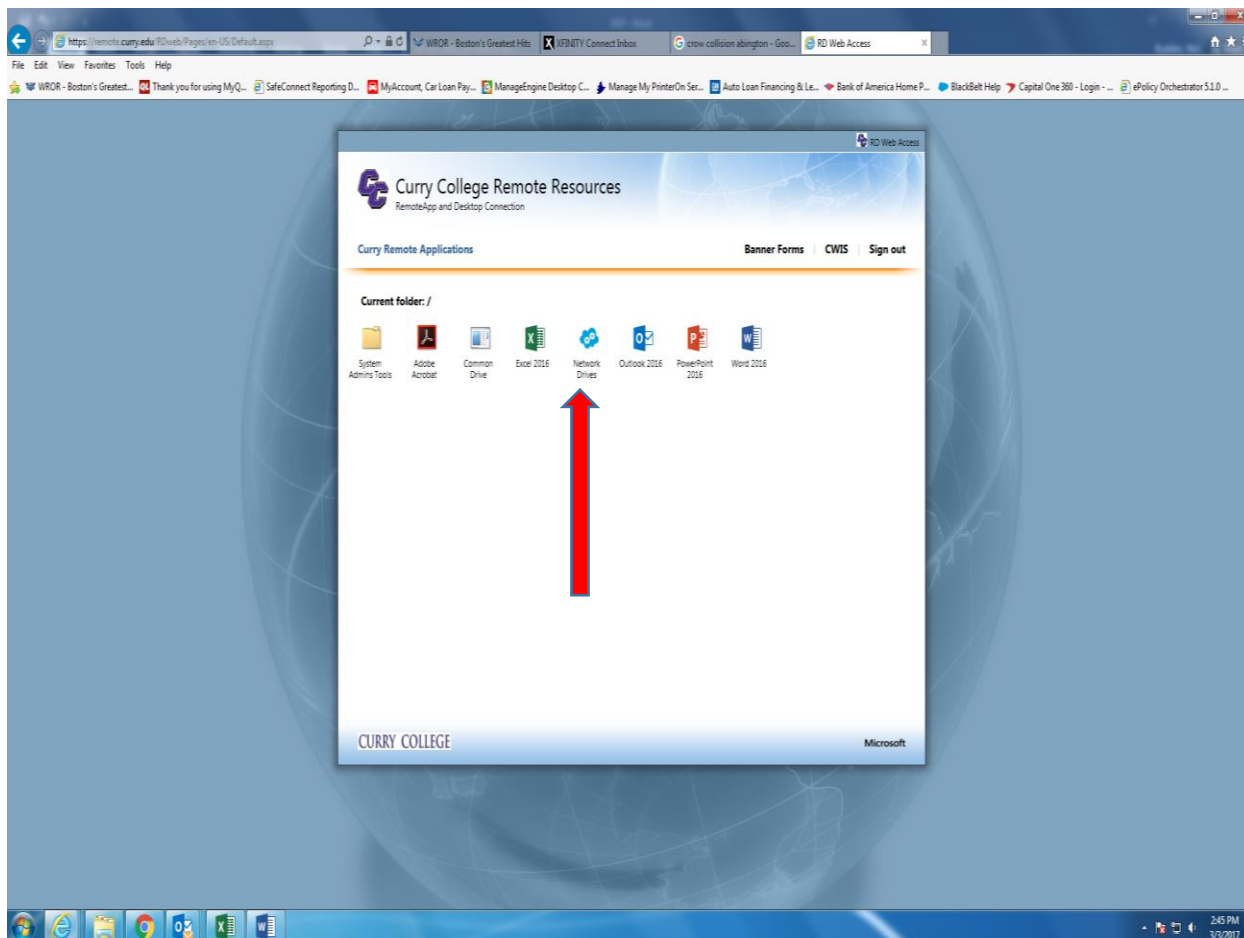

- Double click the Network Drives Icon to access any of your network drives.
- On the bottom of your browser there will be a download named "cpub-explorer-Re…..rdp". Once this download is complete click on the up arrow and click Open.

- Click Connect to access your network drives.

- You may have to enter your credentials. If so please click Use another account and then enter in the **same email and password you used before**. Do not click Remember my credentials. Click OK.
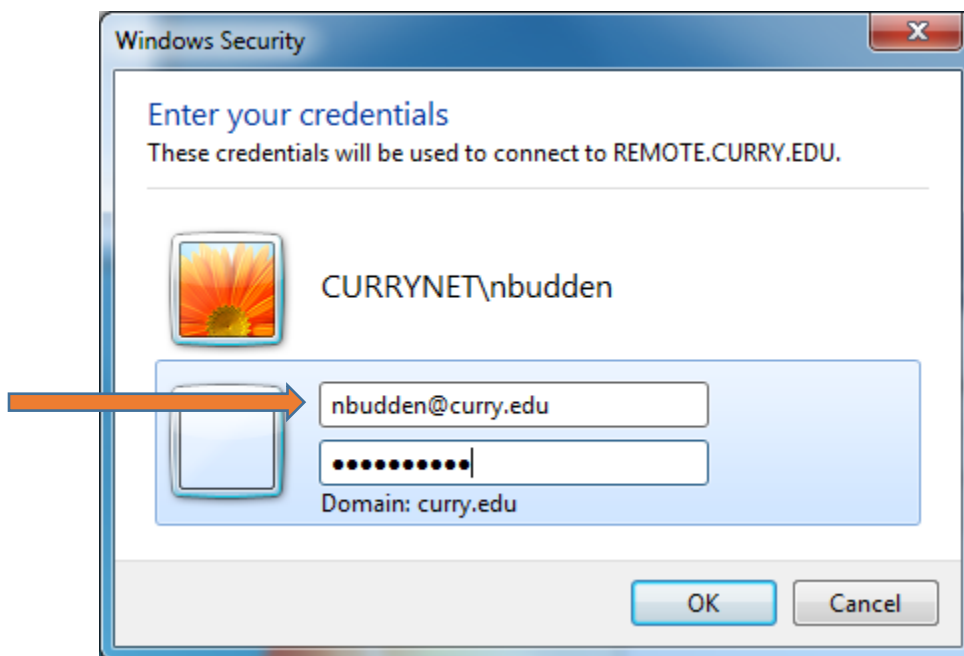

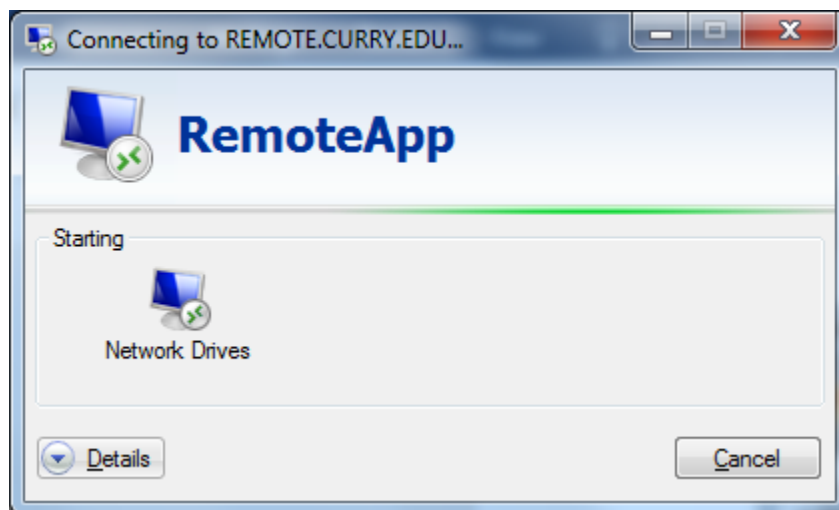

- Click Yes to accept the security certificate.

- You will see a window accessing your network drives.

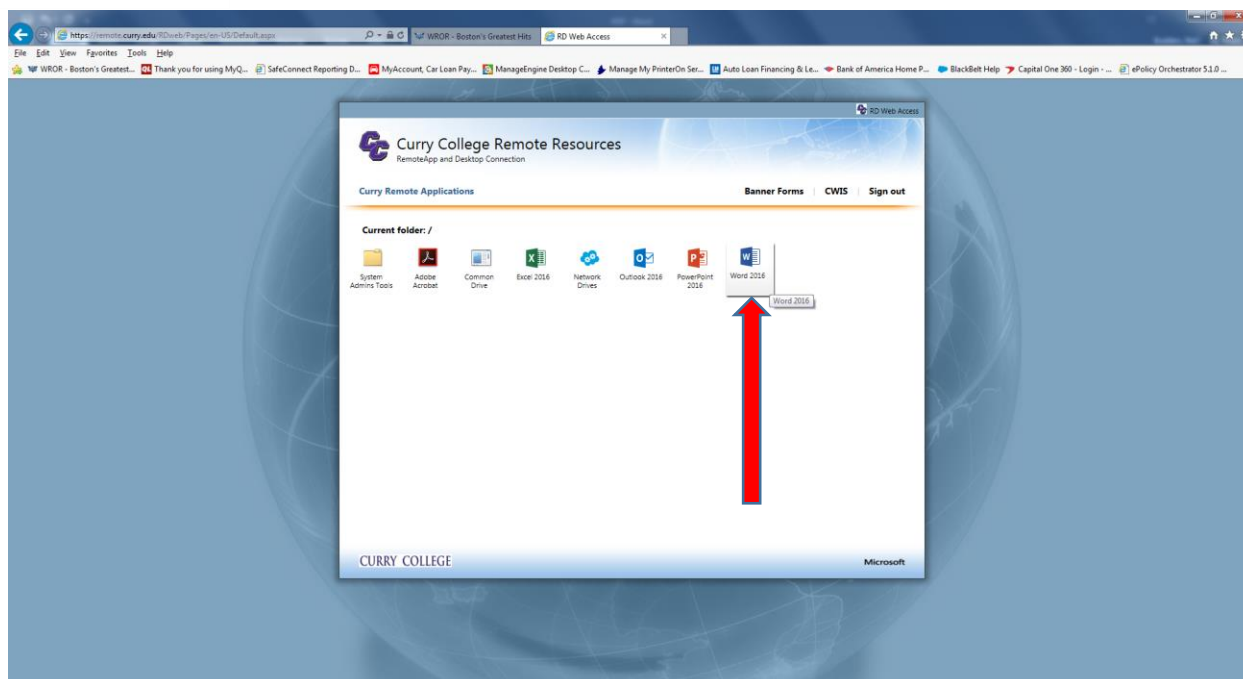

- This window shows your network drives.
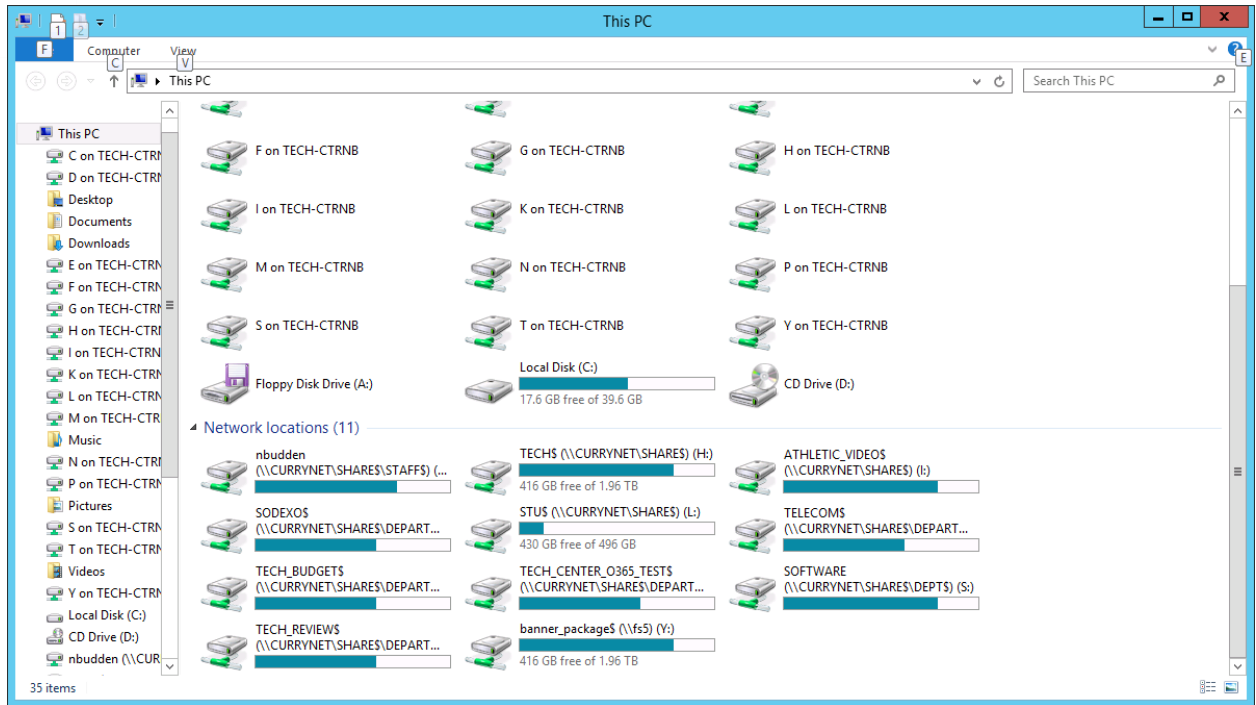

- **Remember when saving documents you have to save it to a network drive. If you save it to the desktop of the remote session desktop the document will be lost.**

- To use any Office Application double click on the icon (Word, Excel, PP or Outlook).
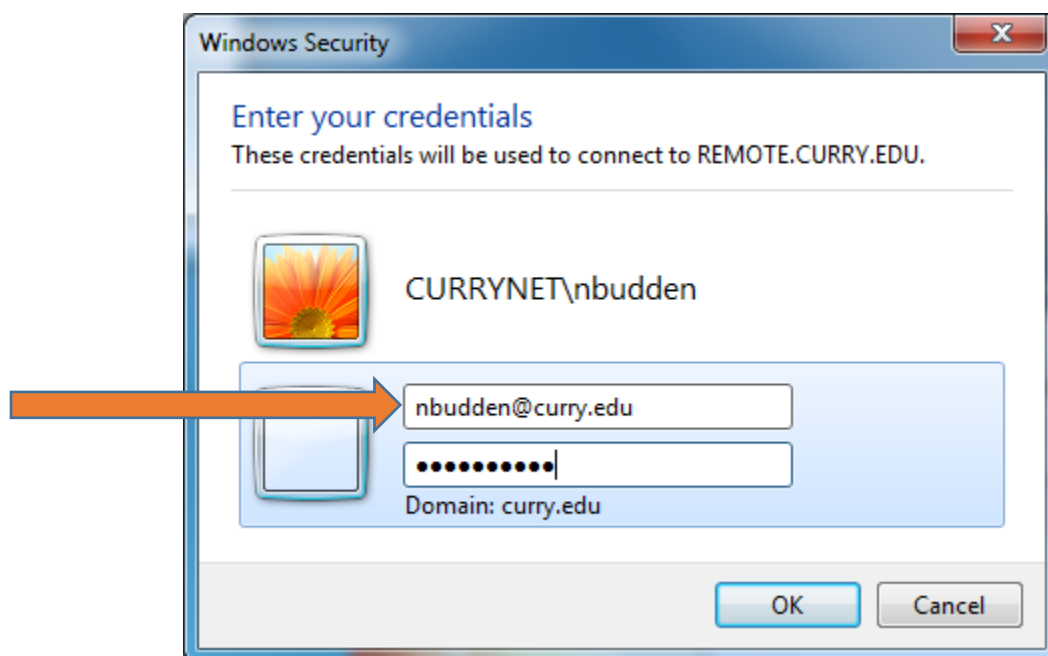

- For Example: double click on the Word icon.

- On the bottom of your browser there will be a download named "cpub-WINWORD-…..rdp". Once this download is complete click on the up arrow and click Open.
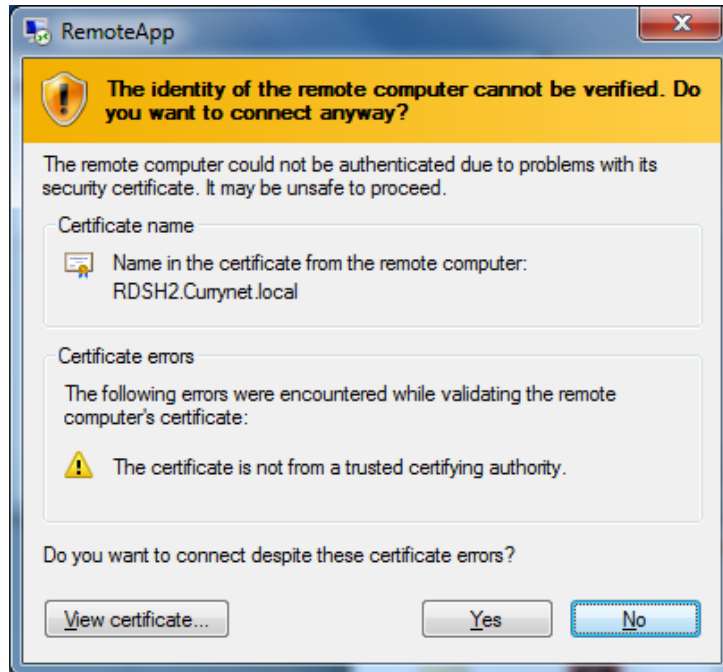

- Click connect to access Word.

- You might have to enter your credentials again. Your username should already be selected, all you have to do is enter your password and click OK.
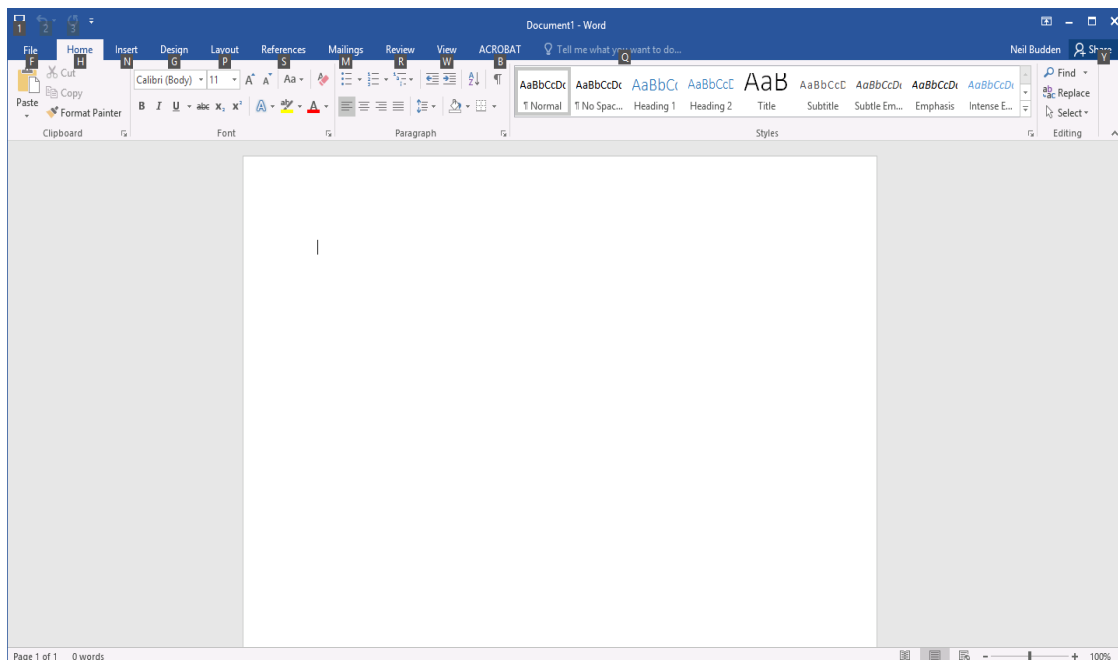

- Click Yes to accept the security certificate.

- Then a blank Word document should open. Follow the same process for the other applications.
