Embedding a Panopto Video in Blackboard

Panopto has introduced an additional method for inserting videos. You can still copy and paste the link into a text editor, but if you would like to embed a video, you can follow the steps provided below.

Step 1: Click Build Content then select Item:

Course Materials ©										
Build Content V	Assessments ∽ T	ools 🗸								
Create	New Page									
Item	Content Folder									
File	Module Page									
Audio	Blank Page									

Step 2: Enter the video name. It is best practice to include the length of the video so add that as well. Click on Mashups and select Panopto Video:
