Retirement Plan Enrollment

Employees may enroll, on a voluntary basis, in the 403b Defined Contribution Retirement Plan offered by the College upon date of hire.

We currently offer our 403b plan through Voya Financial. Match eligibility begins after the completion of 1,000 hours and one year of continuous employment on the first of the following month. However, the waiting period may be waived if a new employee had worked at an organization that could have offered a 403(b), and if that new employee had worked 1,000 hours at that organization in the last twelve months. [Verification form will be required.](#)

If you would like to begin contributing to the retirement plan right away, please complete the online enrollment with VOYA Financial by clicking on the appropriate link below, and following the step by step instructions.
