

HEALTH SERVICES HAS A NEW STUDENT HEALTH PORTAL!

The new student health portal will allow you to:

- Send and receive private messages to/from the Health Services staff
- Securely view your immunization records
- Securely view recent lab work and visit summary
- Securely upload documents
- Access reliable health information

Look for the Student Health Portal icon on the Curry portal page or click here: curry.studenthealthportal.com

Please note: this site contains protected health information. Anyone who has access to your Curry portal page can also view this information
