

PHARMACIES

We do not have a pharmacy on campus. It is the student's responsibility to obtain their own ongoing prescriptions from a pharmacy of their own choice or to use a mail order pharmacy service (see reverse side for more information). Most medications prescribed by Health Services for common illnesses are provided to students at the time of their appointment.

For your convenience, prescriptions can be called into or transferred to the following local pharmacies which are accessible by walking or shuttle.

****Directions- Walgreens/Stop&Shop – Across the street from Admissions on Brush Hill Road, take Wolcott Street. Wolcott Street turns into Needham Road. At the end of this road you will see an elementary school. Take a left after the school, cross at the lights and you will be at Walgreens/Stop&Shop. It is less than a mile walk.
